RE: **AGENDA ITEM 29.** Support Sufficient Funding for Voter Engagement in D-4 August 15 Special Election

Dear Chair Vargas, Vice-Chair Lawson-Remer, and Supervisors Anderson and Desmond,

The League of Women Voters applauds the decision to allow voters in District 4 to elect their Supervisor in a special election on August 15, 2023. We are concerned, however, about low voter turnout, typical in special elections, particularly among historically disenfranchised communities and other eligible voters who are disengaged from the electoral process.

We urge the Board of Supervisors to take steps to ensure robust voter participation by fully funding a comprehensive nonpartisan voter outreach, education and communications effort to ensure maximum voter participation.

The League of Women Voters is available to facilitate candidate forums, if requested.

Sincerely,

A handwritten signature in black ink that reads "Kim Knox".
