## DEATH COUNTY & THE RIVER OF BROKEN DREAMS

D.A.R.E to News - Politicians Watch - Video Premiere Featuring Tom Homan

"Tom Homan on the southern border describes the incredible dangers to U.S. citizens along the border, as well as, those crossing illegally ... not through Ports of Entry. Due to the Biden Administration's border and unplanned efforts to radically transform America, our southern

border is in the midst of a devastating crisis that includes illegal entry, human trafficking, drug trafficking, child exploitation, extortion, sex & rape crimes and an all-around breakdown of the rule of law."

**LESSON OF NOV 2024 PROP 36  
THE PEOPLE EVERY CITY IN CALIFORNIA  
VOTED TO ENFORCE THE LAW TO STOP CRIME**

"Border Czar Tom Homan says he knows how to deal with the San Diego County Board of Supervisors that wants to block President-elect Donald Trump's deportation policy: send in more Immigration and Customs Enforcement (ICE) agents. The Democrat-controlled board voted in December to expand California's sanctuary laws that stop law enforcement in the state from assisting or cooperating with ICE agents to find illegal immigrants. San Diego has gone even farther and prevents police from notifying ICE about illegals who have committed violent crimes such as rape and child abuse. Homan told the Daily Caller News Foundaton [sic] that new law is ridiculous. "Rather than arresting an illegal alien criminal in the safety and security of a county jail where we know he doesn't have weapons, they're forcing ICE officers into the streets, into neighborhoods to find these people," Homan told the Daily Caller News Foundation. "It's ridiculous. [Sanctuary laws] make it more difficult, but it doesn't mean we're not going to do it," Homan said. "It just means we'll have more agents in San Diego because rather than one guy arresting a guy in a jail — we have to send a whole team to safely arrest a guy, so they can expect a lot more agents in that jurisdiction.

---

Greetings, All.

Am writing to you to express my support for everything Mr. Henkin has highlighted in yellow below, especially about having Mr. Alex Galicia take over Nora Vargas' position in the SANDAG. Mr. Galicia embodies my and my friends' core values which are fiscal responsibility, free speech, the right to keep and bear arms, freedom of religion, private property rights, and limited government

For your consideration.

Respectfully,  
Andres Wong  
Resident  
Chula Vista

COUNTY OF SAN DIEGO BOARD OF SUPERVISORS

SPECIAL MEETING AGENDA

TUESDAY, JANUARY 14, 2025, 12:00 PM (noon)

COUNTY ADMINISTRATION CENTER,

BOARD CHAMBER, ROOM 310

1600 PACIFIC HIGHWAY, SAN DIEGO, CA 92101

Order Of Business

A. Roll Call

B. Statement (just cause) and/or Consideration of a Request to Participate Remotely (emergency circumstances) by a Supervisor, if applicable.

C. Discussion Items

### 1. FILLING THE VACANCY OF THE FIRST DISTRICT COUNTY OF SAN DIEGO SUPERVISOR

The person who will fill the district 1 seat will face 2 huge challenges: the huge (12.5% or so) budget deficit and the TJ River Valley air and sewage. On the budget, by the way, you should have set up adequate reserves when I told you.

In addition, there is the issue of homelessness and growing criminal activity, brought to us by the San Diego Mayor just pushing them out to the rest of the County without adequate treatment facilities. Sunbreak Ranch proposal for a large congregate camp with job, medical, and psychological facilities, would be a great help. But you really need to look at private efforts to solve this and the TJ River problems.

Whoever you appoint, and we do need someone until the election, not just another helpline, should be non-partisan, not beholden to any party line. In fact, I wonder if Nora's opponent, ... Galicia, is still available. As a businessman, he should be able to address the deficit.

I suspect that party politics is a lot of what got you the deficit in the first place. And this definitely is a government we do not need. Also deferring decisions until you have people from the right party. Government should be about making logical decisions, not kicking the can down the road until you have the right – or left – people. Otherwise, we can vote you out or boot you out.

I also notice (at least the third time it's happened) that the agenda itself does not provide the public with an opportunity to address the legislative body in person, not just over the phone or as an e-comment where you are limited to about 7 sentences. Let me remind you, the Brown Act is clear.

54954.3. (a) Every...notice for a special meeting shall provide an opportunity for members of the public to directly address the legislative body concerning any item that has been described in the notice for the meeting before or during consideration of that item.

*Please revise the agenda notice accordingly. I hope that I do not need to mention this again.*

Hi Supervisors,

I favor option 3 - appointment until election + spec election

The person who will fill the district 1 seat will face 2 huge challenges: the big (1.6% or so) budget deficit and the TJ River Valley air and sewage. On the budget, by the way, you should have set up adequate reserves when I told you. In addition, there is the issue of homelessness and growing criminal activity, brought to us by the San Diego Mayor just pushing them out to the rest of the County without adequate treatment facilities. Sunbreak Ranch proposal for a large congregate camp with job, medical, and psychological facilities, would be a great help. But you really need to look at private efforts to solve this and the TJ River problems.

Whoever you appoint, and we do need someone until the election, not just another helpline, should be non-partisan, not beholden to any party line. Kathryn Rhodes offered her services. She would be a great choice. If you can't do this, I wonder if Nora's opponent, Alejandro Galicia, is still available. As a businessman, he should be able to address the deficit.

I suspect that party politics is a lot of what got you the deficit in the first place. And this definitely is a government we do not need. Also deferring decisions until you have people from the right party. Government should be about making logical decisions, not kicking the can down the road until you have the right &ndash; or left &ndash; people. Otherwise, we can vote you out or boot you out.

I also notice (at least the third time it's happened) that the agenda itself does not provide the public with an opportunity to address the legislative body in person, not just over the phone or as an e-comment where you are limited to about 7 sentences. Let me remind you, the Brown Act is clear:

54954.3. (a) Every...notice for a special meeting shall provide an opportunity for members of the public to directly address the legislative body concerning any item that has been described in the notice for the meeting before or during consideration of that item.

Please revise the agenda notice accordingly. I hope that I do not need to mention this again.

You want us to follow your rules. I suggest as a first step that you follow the law.
