Subject: [External] REPORT OF PARK LAND DEDICATION ORDINANCE FEES (Please Include with documents for Land Use agenda #2)
Date: Saturday, December 7, 2024 6:23:44 PM

Hi Supervisors,

The single dwelling fees of 6K to 13K are ridiculously high. The Parks aren't that much of a benefit to everyone who pays it. An the multi-unit feed should be set on the basis of number of units, rather than just being one or two thou dollars higher.

I also see that several areas have very low total collection amounts for Park Improvement Impact or Acquisition fees. I would suggest pooling these funds and disbursing them on an as-needed Countywide basis.

You are here to improve the entire County, not to keep all the money where it came from.

Regards,

Paul Henkin
