Good Morning!

Additional feedback was requested to be incorporated in the attached Board Letter. The following verbiage was added to the overview for further clarification, as well as the background chart was updated to discuss the fee changes further.

By regularly reviewing costs and fees, departments can recuperate costs in a systematic manner, ensure all fees are fair and equitable, and enable stakeholders to plan for fee increases. In accordance with Board Policy B-29, County EMS recently reviewed eight fees and associated costs, and proposes adjustments to seven of those fees during Fiscal Year 2022-23, including five fee increases and two fee decreases. One fee remains unchanged. Attachment A is a summary comparison of current and proposed fees. The Auditor and Controller has reviewed and approved the supporting documentation and methodology for the proposed fee adjustments.

Action	Number of Fees	Description
Increases	5	<ul style="list-style-type: none"><li>• <u>EMT/Advanced EMT Initial/Renewal Prehospital Personnel (3) from current \$106 to \$126</u></li><li>• <u>Paramedic Accreditation Initial from current \$106 to \$126</u></li><li>• <u>Mobile Intensive Care Nurse Authorization Initial from current \$106 to \$126</u></li><li>• <u>Continuing Education Provider-(1) from current \$1,135 to \$1,335</u></li><li>• <u>Base Station Hospital Designation-(1) from current \$19,972 to \$24,888</u></li></ul>

No Change	1	<ul style="list-style-type: none"><li>• <u>Ambulance Provider Permit-(1) remains \$3,549</u></li></ul>
<b>Total Fees</b>	<b>8</b>

Good Morning!

Additional feedback was requested to be incorporated in the attached Board Letter. The following verbiage was added to the overview for further clarification, as well as the background chart was updated to discuss the fee changes further.

By regularly reviewing costs and fees, departments can recuperate costs in a systematic manner, ensure all fees are fair and equitable, and enable stakeholders to plan for fee increases. In accordance with Board Policy B-29, County EMS recently reviewed eight fees and associated costs, and proposes adjustments to seven of those fees during Fiscal Year 2022-23, including five fee increases and two fee decreases. One fee remains unchanged. Attachment A is a summary comparison of current and proposed fees. The Auditor and Controller has reviewed and approved the supporting documentation and methodology for the proposed fee adjustments.

Action	Number of Fees	Description
Increases	5	<ul style="list-style-type: none"><li>• <u>EMT/Advanced EMT Initial/Renewal Prehospital Personnel (3) from current \$106 to \$126</u></li><li>• <u>Paramedic Accreditation Initial from current \$106 to \$126</u></li><li>• <u>Mobile Intensive Care Nurse Authorization Initial from current \$106 to \$126</u></li><li>• <u>Continuing Education Provider-(1) from current \$1,135 to \$1,335</u></li><li>• <u>Base Station Hospital Designation-(1) from current \$19,972 to \$24,888</u></li></ul>
Decreases	2	<ul style="list-style-type: none"><li>• <u>Annual Vehicle Inspection-(1) from current \$392 to \$325</u></li><li>• <u>Trauma Center Hospital Designation-(1) from current \$52,419 to \$47,503</u></li></ul>
No Change	1	<ul style="list-style-type: none"><li>• <u>Ambulance Provider Permit-(1) remains \$3,549</u></li></ul>
<b>Total Fees</b>	<b>8</b>	

For those who have already approved, your approvals will incorporate these requested changes. If you have any questions or concerns, please let Adria or I know, and we would be happy to assist!
