Subject: [External] SUNSET REVIEW OF BOARD POLICES, REGULATORY CODES, Please include with item 22
Date: Friday, November 11, 2022 11:04:43 AM

Hi Supervisors,

The SUSTAINABILITY IMPACT STATEMENT says "Reviewing and, where necessary, making amendments to existing codes, policies, and program guidelines aligns with the County's sustainability goal...by ensuring that programs and operations reflect the County's values and priorities. This seems to call for a more frequent review than after 7 years. And Delaying a sunset review by up to 7 years is tantamount to abdicating your oversight responsibilities, which may bring serious legal repercussions in addition to the millions you've forked over for jail deaths and miscellaneous lawsuits.

Regards,

Paul Henkin
