PUBLIC COMMUNICATION RECEIVED BY THE CLERK
OF THE BOARD

From: [Aiyana Hutcherson](#)

Subject: [External] Agenda Item 25
Date: Thursday, November 30, 2023 6:56:28 PM

To whom it may concern,

As a young woman who is concerned about human rights, I strongly STRONGLY oppose this agenda item. The clinics this agenda is targeting should not be labeled as “fake” or “fraudulent”. This is one of the most extreme examples of a straw man fallacy I have ever seen. Am I supportive of defunding and shutting down fraudulent critical care clinics? Of course! Am I supportive of shutting clinics like the Pregnancy Care Clinic—clinics whose main concern is protecting life in the womb, and supporting life once it has been born? No! If you want to shut down fake and fraudulent critical care clinics, you should shut down clinics whose main concern is terminating the life of the unborn.

This agenda item is not only misleading, it is wrong. Anyone who truly understands human rights will oppose it.

Respectfully,
~Aiyana Hutcherson

Agenda item 25 will take away a woman's right to 'choose' the health care she desires if she wants to keep her baby.

County Board of Supervisors

Public comment on the December 5th agenda (25)

Subject: ADVNCING REPRODUCTIVE RIGHTS EDUCATION AND PURSUING LITIGATION TO SHUT DOWN FAKE AND FRAUDULENT CRISIS PREGNANCY CENTERS.

First of all there are several fraudulent statements in the subject itself' They are:

That Pregnancy centers are fake and fraudulent. That is not true. Also it is the Pregnancy centers that provide education in regards to alternative choices to abortion. They also provide medical assistance, guidance, and counseling.

Terra Lawson-Remer is misguided in what she considers education and reproductive rights. She needs to be educated in what goes on in these pregnancy centers. They provide caring guidance and alternatives to abortion.

The education Terra is advocacy is not education at all . It provides only one alternative and that is killing one of God's wonderful creation.

I I want to go on record as being against this number 25 agenda item for Dec. 5th. I will pray that this item does not pass and that Terra will somehow be enlightened as to the truth of her endeavor.

The fact that Newsom has signed the bill sb245 is just another sign of disregard for human life. In addition, how does he have the right to spend tax payers money for something that is against the constitution and against what many taxpayers desire.? We should not be required to pay for killing human beings.

I am asking the members of the board to vote down this evil agenda item 25.. The pregnancy centers have a right to provide the help they are providing to the women finding themselves with an unplanned pregnancy and the unborn child that will be effected they the decision

Dear Sir or Madam,

I am writing to respectfully and earnestly oppose the proposed Agenda Item 25 regarding advertising against local pregnancy care clinics. We heartily support the Pregnancy Care Clinic and I have written an article awaiting publication soon about the need for them to save lives. I plan to add the executive director's (Mr. Josh McClure) recent appeal email to us in a footnote about the upcoming meeting to consider agenda 25.

Thank you,

I am writing to completely oppose item 25, the closures for all pregnancy care centers.. these centers help so many women who are in need, free of charge, and those who also need help with decision making for their pregnancy..
some of these women have no where else to go for guidance and shut these centers down violates our freedom of choice in healthcare.. so please hear my voice and keep these much needed organizations open.

Thank you

To whom it may concern,

I am writing in favor of the Pregnancy Care Clinic and the executive director Josh McClure. I am in complete opposition to the Proposed Agenda Item 25. The very fact that you are able to vote on this issue is because your parents did not abort you, but chose to bring you into this world as we know it. Jeremiah 1:5 says, *"Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations."* I respectfully ask that you NOT support this Agenda Item 25.

Thank you,

Ron Renner, Elder

Dear Board of Supervisors,

On December 1 I was made aware of this agenda item against the Pregnancy Care Centers across San Diego County by Board member Tera Lawson-Remer to eventually shut down these care centers, which will be discussed on Dec. 5, 2023. I oppose this action because I value all life because God has given His commandment "Thou shalt not kill". This includes unborn children, as depicted in the attachment below, quoting Jeremiah 1:5 in the Bible.

Respectively submitted,
Linda Renner
