The Sheriff and Deputies serve the Del Mar Fairgrounds from the Encinitas Office. Not sure, whether it would be faster in an emergency (like transport to a hospital or a gunman on the loose needing police reinforcements) to have the Del Mar or Solana Beach police involved.

Not sure either why you waited until 30 days prior to the effective date to consider this. I think you should do a 1 year (or less) contract and consider revising it then to make sure it covers conditions now, which are different than in 2021. You have a lot more people, for instance, dying of COVID or the vax and equipment is older (that is, might break easier) and there is a greater risk of needing ambulance transport, if the Sheriff's Office needs to do this.

Since there is no contract attached, I am not sure if you need more than just a renewal.
