OVERVIEW

On February 11, 2025 (01), the Board of Supervisors took action to further consider and adopt the Ordinance on February 25, 2025.

The San Diego County Child Care and Development Planning Council (CCDPC) is advisory to the San Diego County Board of Supervisors (Board) and the San Diego County Superintendent of Schools in order to identify local child care and development needs and issues. The San Diego County CCDPC is a local board that is required by California Welfare and Institutions Code section 10480 et seq.

Today's action requires two steps. On February 11, 2025, Board action is requested to approve the introduction of an Ordinance amending provisions in Article XVI of the San Diego County Administrative Code relating to the San Diego County CCDPC (first reading). If the Board approves the recommended actions for February 11, 2025, then on February 25, 2025, the Board is requested to consider and adopt the Ordinance, approve conforming amendments to the San Diego County CCDPC By-Laws, appoint members to the San Diego County CCDPC, and certify the 2025 membership composition.

Today's actions support the County of San Diego (County) vision of a just, sustainable, and resilient future for all, specifically those communities and populations in San Diego County that have been historically left behind, as well as our ongoing commitment to the regional *Live Well San Diego* vision of healthy, safe, and thriving communities. This will be accomplished by continuing services that assist County families with their child care needs and improving access to quality child care and early education programs.
