Hi All,

To dismiss these all as conspiracy theories is wrong. We know they happen and a few facts may be wrong or exaggerated. However, the evidence is there and if you want to dismiss it as a conspiracy theory without presenting any evidence, that is not only unsound, but irrational.

The question is why the theory and what is the conspiracy. How many left wing conspiracy theories are there, by the way?

And may I also point out that the way in which many County and SANDAG and some City proposals and political items are submitted without supporting documents or too late to review thoroughly is what I call a half-baked idea, the cousin of a conspiracy theory.

Please do a bit more research. And yes, it is easy to ignore this and look like you have your head in the sand.

Regards,

Paul Henkin

Patricia Dillard, please take note of Mr. Henkin's words below. Praying for your badly needed enlightenment.

Hi All,

To dismiss these all as conspiracy theories is wrong. We know they happen and a few facts may be wrong or exaggerated. However, the evidence is there and if you want to dismiss it as a conspiracy theory without presenting any evidence, that is not only unsound, but irrational.

The question is why the theory and what is the conspiracy. How many left wing conspiracy theories are there, by the way?

And may I also point out that the way in which many County and SANDAG and some City proposals and political items are submitted without supporting documents or too late to review thoroughly is what I call a half-baked idea, the cousin of a conspiracy theory.

Please do a bit more research. And yes, it is easy to ignore this and look like you have your head in the sand.

Hi Patricia,

It's called 'big picture' or 'objective' thinking. Suggest you do it. This is not within the Secretary's purview.

Patricia Dillard, please take note of Mr. Henkin's words below. Praying for your badly needed enlightenment.

Hi All,

To dismiss these all as conspiracy theories is wrong. We know they happen and a few facts may be wrong or exaggerated. However, the evidence is there and if you want to dismiss it as a conspiracy theory without presenting any evidence, that is not only unsound, but irrational.

The question is why the theory and what is the conspiracy. How many left wing conspiracy theories are there, by the way?

And may I also point out that the way in which many County and SANDAG and some City proposals and political items are submitted without supporting documents or too late to review thoroughly is what I call a half-baked idea, the cousin of a conspiracy theory.

Please do a bit more research. And yes, it is easy to ignore this and look like you have your head in the sand.

Regards,

Paul Henkin

Dear All,
For the sake of the USA, please do NOT adopt the Patricia Dillard mentality that others, even the Secretary of State, can do your thinking for you. Let's all wake up from being Woke.
Thank you.
Respectfully,
Andres

Patricia Dillard, please take note of Mr. Henkin's words below. Praying for your badly needed enlightenment.

Hi All,

To dismiss these all as conspiracy theories is wrong. We know they happen and a few facts may be wrong or exaggerated. However, the evidence is there and if you want to dismiss it as a conspiracy theory without presenting any evidence, that is not only unsound, but irrational.

The question is why the theory and what is the conspiracy. How many left wing conspiracy theories are there, by the way?

And may I also point out that the way in which many County and SANDAG and some City proposals and political items are submitted without supporting documents or too late to review thoroughly is what I call a half-baked idea, the cousin of a conspiracy theory.

Please do a bit more research. And yes, it is easy to ignore this and look like you have your head in the sand.

Regards,

Paul Henkin

In a democracy it's your vote that counts...In feudalism, it's your Count that votes!

(Think of all the unions and corporations who tell you how to vote, plus the occasional vote manipulator/ballot box burner. The bottom line...)

Old man walks up and says, "For sixty years I've been trying to figure out why we vote in November. Finally found the answer this year." "Why's that?" "Better selection of turkeys!"

(Add 4 years since the last election. (we've had 59 presidentials so far.) He must be 296 years old by now!)

Good morning, SD County Registrar of Voters.
I know our Governor Newsom is successful in degrading California into a 3rd-world country, but I did not realize that he is so successful in destroying this state that the counting of our votes just in this SD county takes a month to finish. How many votes of illegals do you still have to count? Please advise.
Respectfully,
Andres Wong
SD County resident

All, misleading ballot titles are deceptive and are lies meant to trick the public. Prop 6 of 2018 cones to mind. We needed that gas/road tax repealed for financial relief. Here we are in 2024 and CARB is scheming to boost the already absurd gas taxes further by 47¢ plus? CALIFORNIA IS A MESS. All of you need to be put PUT OUT OF OFFICE. PERIOD.

Good morning, SD County Registrar of Voters.

I know our Governor Newsom is successful in degrading California into a 3rd-world country, but I did not realize that he is so successful in destroying this state that the counting of our votes just in this SD county takes a month to finish. How many votes of illegals do you still have to count? Please advise.

Respectfully,
Andres Wong

[External] VOTER ID RULE: HATS OFF TO HUNTINGTON BEACH, CA!

Date:

Monday, November 18, 2024 9:18:11 PM

Greetings, Huntington Beach City Council!

Am writing to commend you in deciding to have voter IDs as a requirement in your awesome surf city!

The link below is such an encouragement here in communistic California under Gavin Newsom. You have done what is right which unfortunately is currently a difficult thing to do in this "Golden" State. And that makes you all outstandingly courageous in the eyes of patriots all over the USA.

May God bless our nation with more leaders like all of you there in Huntington Beach.

Respectfully,

Andres Wong

Chula Vista City Resident
