150+ lawsuits against Polinsky. AG Bonta launches Civil Rights Investigation into Conditions at San Diego County Juvenile Hall & County Office of Education. Funny, at the May 6 meeting, Monica launched a tirade about morality because people don't want this board to dip into the emergency reserve fund. Morality: principals concerning the distinction between right and wrong OR good and bad behavior. The women on this board support the murder of the preborn in their mother's womb; voted to not protect girls in sports & private spaces but do support medical castration and surgical mutilation of minor children for the trans agenda; prioritize convicted violent illegal foreigners over law abiding people. This forced the tyrannical abusive mandates, locked down business during the so-called pandemic and pushed the unsafe and ineffective dangerous injection and people still died. Do not lecture the public on morality without first looking in a mirror.
