I wish Damon Brown well, although I hope that he keeps the progressive politics of Attorney General Bonta's office to himself (or in the trash.) We should be abiding by the Constitutions, California and US, before State law. Please remember to look at the Constitution first before giving an opinion on this or that law.

You should check the employment agreement for typos. I do not understand the phrasing "3% nor more" in section 3C. Suspect you meant "3% more" – no "nor".

Other than that, it looks fine to me although \$180/hour seems to me a bit steep for a starting salary.
