NO on Prop 50. This proposition eliminates the CA voter approved initiative that passed in 2010 establishing an Independent Citizens Redistricting Commission in CA. The Governor cannot do this, this is against the CA Constitution, as it would nullify the statewide citizens initiative. Thank you.

Prop 50 is misinformation and if passed will result in the silencing of the voices of millions of American voters in this state. Every American should vote in opposition.
Regardless of your opinion, there should and must be a majority vote in favor of recuperating the County's share of the cost of approximately \$20.5 million for this special election.
This money belongs to the Americans and legal residents living in this county.
