Dear Ms. Torosian,

On behalf of the Board of Supervisors, I want to thank you and Promises2Kids for the generous donation of gift cards, new toys, sports equipment, electronics, and art supplies valued at approximately \$13,760 to benefit the children at the A.B. and Jessie Polinsky Children's Center (PCC).

As you know, PCC is the County of San Diego's (County) Temporary Shelter Care Facility for children and youth under 18 years of age who can no longer safely remain with their family of origin due to abuse, neglect, and/or abandonment. The needs of children at PCC continue to be a high priority for the Board of Supervisors. Community involvement plays a vital role in PCC's effort to provide a safe haven for more than 500 children who need protection and care annually. This aligns with the County's vision of a just, sustainable, and resilient future for all, as well as our ongoing commitment to the regional *Live Well San Diego* vision of healthy, safe, and thriving communities.

PCC confirms that no goods or services were provided to you in exchange for the contribution. The concern and support you have shown for these children are greatly appreciated by the Board of Supervisors, PCC staff, and most importantly, the children. Please accept our heartfelt gratitude.

Sincerely,

Terra Lawson-Remer
