I think we can safely declare the results.

Anyone proofread this? The overview says “To timely declare the election results from the First Supervisorial District Special General Election on July 1, 2025, it is necessary to amend the 2025 meeting calendar and set a meeting for July 22, 2025.” But we do not know if this is needed. What if the 6 other candidates withdraw as I suggested and avoid the expense of another election.

Since there are a few meetings before July 1, let's wait and see if we really need another expensive election. I see no need to rush into this.
