Hi Supervisors,

All appointments should be in the discussion section. The public has an interest in vetting and discussing thoroughly who is fit to serve on public boards and commissions. People need more than a fraction of 2 minutes speaking time for the entire Consent Calendar to state their **coherent** objections to a person serving on a County Board. This ridiculously short time limit often results in raised voices, yelling, and incoherent remarks (kind of like the rest of the consent calendar.) So let's put this in the discussion section.

Regards,

Paul Henkin
