This is a nice report. Minor improvements. But this shelter should never have been built here in the first place.

Last we heard was that you were too busy pushing for this non-congregate shelter site, antagonizing and disregarding the locals, to actually secure the land before building on it. And the site is still within a few hundred yards of a school, a clinic, and a liquor store. Also next to a busy freeway. You want to put a facility for recovering druggies or drunks THERE? This has got to earn some kind of PPP award. Piss-Poor Planning. But I'm glad you admit it. Shows a bit of moral character I hope can be applied to all the other abuse in County facilities and by the County to the kids in Polinsky, separated families, abused minors, abused animals, and on and on.

I expect to hear a lot of referrals to meaningful persons, not the same County people who have already mishandled the claim, like so many people report.
