Hi Supervisors,

Sniff!

It is concerning to me that collection of these fees is spread unevenly, mostly in certain areas of East County (p.5-6) Since we all use the roads, not sure whether we should only be charging fees in a few areas.

One item on the report is the SANDAG Transnet fee to fund the Regional Transportation Congestion Improvement Program (p.4.) Since SANDAG overcharged numerous people and did not administer Transnet properly or honestly, do we get a refund?

Other than this the report looks pretty good.

Regards,

Paul Henkin
