**RE: Item 2, March 25, 2026, Iron Mountain Preserve (Set hearing for April 22) - Support**

Dear Chair Lawson-Remer and Board Members:

Endangered Habitats League (EHL) *supports* the acquisition of 380 acres to expand the Iron Mountain County Preserve, more than doubling its size. Iron Mountain is popular hiking destination with scenic views. It is rich habitat, with scenic rock outcrops, and many sensitive species.

The acquisition helps assemble the Multiple Species Conservation Program (MSCP) and thus provides streamlined permitting for housing and infrastructure. It also contributes to Climate Action Plan carbon sequestration objectives. We also pleased that management will be a joint effort with the City of Poway.

Thank you again for all your support for wildlife and outdoor experiences in San Diego.

Yours truly,  
Dan Silver
