Only one Board meeting in Feb., April, July, August, November, and December. Only one community budget hearing. Sounds like the community is getting shut out. I predict lots of meetings where items will be carried over to the next day, silencing those who can't be here or online a second day. Or maybe more will be done in secret or put on the consent calendar when it is not a routine item, or an ordinance, like at this meeting.

My recommendation would be to plan early and schedule items on the next day if there are more than 25.
