Purpose

To provide guidelines for activities related to the Board of Supervisors' Agenda. Unless otherwise stated, Board of Supervisors and their staff, Board appointed staff and their deputies and staff, and County elected officials and their deputies and their staff shall comply with the procedures set forth in this policy.

Background

The Board of Supervisors (Board) conducts County and certain special district business during its regular meetings, hearings and conferences (Board meetings). The County Charter, the Board of Supervisors Rules of Procedure, the Administrative Code, and this policy provide authority for the conduct of the Board of Supervisors meetings and related agenda processes.

The Clerk of the Board of Supervisors (Clerk) prepares Board meeting Agendas based on Board, Chief Administrative Officer (CAO), County elected officials, and County Counsel submitted letters (Board Letters). The Clerk prepares the Agenda before each Board meeting. Board Letters document proposed Board actions and provide the Clerk with the necessary information to prepare the Agenda.

Board members, the CAO and certain designees, and the County Counsel receive the Agenda, and the associated Board Letters and supporting material on or before Thursday of the week preceding the Board meeting. The Clerk distributes supporting material for "Administrative Items" upon request. Administrative Items include Proclamations, Awards, second reading of ordinances, and Communications Received.

The Board's Rules of Procedure, Rule 1 establishes the Board meeting times, dates and locations, and the Board shall annually adopt a calendar of regular meeting dates. The Tuesday portion of the meeting is the Legislative Session. The Wednesday portion of the meeting is the Land Use Session. The Legislative Session and Land Use Session shall constitute a single meeting.

The Board's Rules of Procedures set forth the detailed requirements for the Agenda and Board meeting procedures. This Board Policy provides direction on the preparation of the Agenda and Board meeting materials, including how to submit and review Board Letters, ordinances, and other informational items to be presented to the Board at its Legislative Session and Land Use Session.
