I see (att. B) that the property owners have all been in default 5 years – or up to 15 years (not sure how that happened.) and the Board letter says they all got multiple notices mailed to them, so things seem good to go. The prior sale statistics are interesting, that the May 2017 and 18 auctions were over \$5 million, but the last sale was only \$1 million. Hope this sale goes better. Looks good to go though.
