Hi Supervisors,

We, here and at SANDAG both, need to start operating in the light and being fully transparent and open with the public.

The Bradley Avenue Overcrossing suddenly has estimates of \$45 million from FY 2024-7 where it had none in last year's report.

Cole Grade Road goes from \$3.2 mil for FY 26/7 in last year's report to \$28.5 mil from FY 2026-8

You are adding two projects for \$19 mil as well, while deferring only two projects resulting in a -\$4.7 mil expenditure.

Moreover, it would be proper to include revenue sources and amounts to make sure this is feasible and proper. But until you do, I do not think that Transnet can handle the extra funds needed.

Regards,

Paul Henkin
