Dear Mr. Engel,

On behalf of the Board of Supervisors, the Department of Parks and Recreation, and the County of San Diego, I would like to express my gratitude to the Miracle League of San Diego and the Padres Foundation for its generous donation of \$600,000, \$250,000 through a sponsorship with the Padres Foundation and \$310,000 from contributions to the Miracle League, from individuals and foundations, to replace the existing Miracle Field surfacing at San Dieguito Park.

Your donation is very much appreciated and will make a difference in our continuing efforts to enhance the community through increasing the well-being of our residents and our environments, by reducing disparities and disproportionality, and ensuring access for all through a fully optimized field that is compliant with the Americans with Disabilities Act to maintain the field's high standards for accessibility and safety.

We thank you for your valuable and generous donation to the residents and visitors of San Diego County.

Sincerely,

Terra Lawson-Remer
