As a constituent of D5 which has probably more people than other districts in danger, I demand that the county prevent evictions until January 2026 and work with banks to delay foreclosures until people have been back to work for more than a year..

I demand the County Board of Supervisors works to ease the government shutdown crisis by preventing evictions until January 2026, preventing foreclosures by working with banks to agree to no interest/no late fees, and preventing water, trash, and electricity shutoffs.

I urgently ask the County Board of Supervisors works to ease the Federal government shutdown crisis by preventing evictions until January 2026, preventing foreclosures by working with banks to agree to no interest/no late fees, and preventing water, trash, and electricity shutoffs. As a County with many service members, Federal employees, and people reliant on Federal tax-funded benefits, we can't let our neighbors suffer more than they already are having to as a result of the shutdown. Thank you for acting.

I demand the County Board of Supervisors work to ease the government shutdown crisis by preventing evictions until January 2026, preventing foreclosures by working with banks to agree to no interest/no late fees, and preventing water, trash, and electricity shutoffs. It is cruel for the most vulnerable in our community to bear the consequences of political games.

Free speech endowed to us by our creator.

Guaranteed by the Constitution.

Not granted by government.

If a person believes Free Speech is only for him- or herself but not for political opponents. That person is a Liberal.

If the truth could NOT change a person's belief. That person is a Fundamentalist.

If a person believes the government should punish those with opposing views. That person is a Totalitarian.

If a person believes political opponents should be punished with violence or death. That person is a Terrorist.

If a person doesn't believe in free speech for everybody and freedom for everyone, then that person is not acting as an American.
