Since you already sent your nominations to the State, I do not know why you are putting it on the agenda. Sounds like another Brown Act violation.

I disagree with the law. I do not think that you should be nominating yourselves to the Coastal Commission. This is a huge conflict of interest and detracts from your focus on San Diego County. And it distracts from your concentrating your full attention on the County's needs. Nor do I think that you should nominate Mayors and Councilmembers for the same reason. You should nominate subject matter experts.
