Glad these are mostly grants. But here you are, when we need to offset a huge budget deficit, wanting to spend \$1.2 mil of County tax and \$16.1 mil of State tax, our money. And does this mean that the DA needs extra dollars to enforce the laws she should already be enforcing, like animal cruelty?

According to p. 4 of the Board Letter, these programs already have awards for their excellence, so if they're working so well, why do they NEED more money?
