Dear Ms. Walsh-Szott,

On behalf of the San Diego County Board of Supervisors, I would like to extend our sincere gratitude for your generous donation of \$35,000 to the Department of Animal Services.

Your contribution will be deposited into the Public Education Trust Fund and will directly support spay/neuter and vaccine outreach events, including services provided by our Pet Health Express mobile clinic. Your generous donation is estimated to provide more than 270 spay/neuter surgeries, vaccinations, and microchips for animals in underserved communities. These services are vital to improving animal welfare and public health in underserved communities throughout the County.

Again, we are truly grateful of your support of a wide range of philanthropic endeavors, and we are honored you chose to support the animals of San Diego County in this manner. Your confidence in the department allows us to further our mission of protecting the health, safety, and welfare of people and animals in the unincorporated area of San Diego County.

Sincerely,
