Includes an unexplained and counterproductive salary cut to an important function. Unacceptable.

Compensation Ordinance Sec. 2 - It would be nice to know why the Chief People Officer is getting a substantial salary reduction. He or She designs and implements programs to build workforce resilience and enhance leadership within the county – things that are highly needed in these times of financial and social stress. Especially for County leadership

Sec. 4 – I wish I could rent a 1 bed 1 bath apartment for \$127/month. But somehow, you don't seem to be willing to actually impose a rent cap for us non-County people. No wonder there's a huge affordability crisis.
