Hi Herman,

Rachael accepted the attached email as Karina's approval of the BL. I think if you do the same type of email we should be good!

Okay, thanks. I will also check my deleted mail. I have noticed that some documents go straight there without me ever seeing them.

Hi Herman,

That is strange! It shows that it went to you. Let me check with Rachael, but I believe if you respond to her and I by email, she can include that as your approval.

I will write back to you once I hear back from her that this will be an okay workaround.

Thanks!
Craig

Good Morning Ladies!

Rosemarie, I saw you approved the No Cost Communications, so I went ahead in EA and swapped out Karina for you on this item. However, it wouldn't let me list you as role #1 with others and therefore had to list you as role #2. Meaning, you will not receive a notification request for your approval until all others listed have approved the board letter.

If you want, you can provide me your approval through here and I can just remove you and use the approval log with your approval email and docket that way. Up to you!

Thank you,

Rachael N. Gufler
