Vote NO on advancing the Charter Reform Package to the November ballot. Oversight needs to be and independent body to be considered true oversight and current supervisors should not be vote more time for themselves in office! Also voters should have a say in each reform proposal separately!

Not sure which of these vague proposals cover extending term limits for supervisors. I OPPOSE IT!!!!!!

Sounds to me like you want a break from hearing about the messes you create.

But seriously, I think that it would be good to keep the date for the meeting open since last minute items are always cropping up. You also need to take care of people, not make them wait in case they need you services. You could cancel later and people could put a firm date for a meeting on their calendar

Another thing, if you can tell this far ahead that there will be no items on July 14, maybe you are in fact able to agendize items a few weeks earlier.
