For the Probation Department, 3% regular increase is good, but it is unconscionable that they do not get a 2% market adjustment like the DA's investigators.

No to a 5% stepup to just a few positions.

In section 3, why is the Special Assistant, County Assessor mentioned as if a Probation officer?

Not sure why the Undersheriff needs a raise and no-one else is mentioned.

Bonus of 5% for being in an armed or K9 unit incentivizes officers to use those arms or K9's. It is one of those unintended consequences people around here don't think of enough.

Not sure why protective and social service workers are entioned in the section about Probation Officers.

Finally, it is wrong that the Probation Officers get only a 2.5% retention incentive when you propose 5% for the DA's investigators.

This whole proposal needs to be rewritten.
