I was so disappointed to only have one minute to express my views on these important initiatives. Why do the horse and marijuana friends get a full two minutes while those of us who worked hard on a two minute speech get last minute notice that we have ONE MINUTE to communicate our concerns. I worked hard on that speech. It doesn't show well.

I am writing to express my opposition to yesterday's decision against requesting Superfund Designation from the USEPA for the TJ River Valley, ignoring the will of the people.
