Dear Supervisor Nora Vargas,

This is a blatant violation of the First Amendment & Fourteenth Amendment!

First Amendment: Protects free speech, assembly & petitioning the govt. Public meetings are a forum for ALL voices—not just the ones the Chair likes.

Fourteenth Amendment: Arbitrary enforcement = NO due process. This chills dissent & punishes controversial views.

Restore San Diego won't stand for unconstitutional silencing of the public!

Dear Supervisor Nora Vargas,

Agenda item 36 violates free speech. You know that the Supreme Court would uphold this so why even put this on the agenda? Even the San Diego UT is not going to give you positive coverage on this.

I hope you make the common sense decision tomorrow and vote no.
