I agree the board all needs to pay attention shameful they are on their phones and trying to tell youth to put theirs down what is wrong with this board. We are watching! Security 41,000 dollars a month totally gross. Gross negligence to the people of the county

Can Joel Anderson put his phone down it's so disrespectful? Isn't the agenda today telling youth that- it's so disheartening watching these meetings and the lack of care for community members. You all have your own agendas without addressing the mess around the county!!!!!!!!!! It's appalling

My name is Paloma Serna, the mother of Elisa Serna who died on Nov 11, 2019. I'm with Saving Lives In Custody CA and NCEJC. CLERB needs more authority and access to overseeing medical staff. They need the resources to do their job, by having access to all the SD Sheriff documents turned over to them on a timely manner. Scanning deputies and other employees every time they enter the jail facilities is important to keep drugs out of the jails.

Scratch the vote on tiny homes and go back to the drawing board. Wipe it all off and think where can these go. Not near unincorporated areas and a city that is in disarray or planned by schools. This Board needs to be wiped away with this improper vote prior to a meeting which was planned. Educate yourselves on improper and unjust decisions. Several citizens asked what other areas were proposed with no actual findings. Where are the erasers.

No Tiny Structures! How do you intend to maintain order when you can't handle this:

733abed13a27 another 1.1 of over spending. Backtrack this losing battle and sanitize the homeless areas. Every voice matters and let Lemon Grove vote on this with all of the rules and have another plan.

Band-aids I'm assuming those are all free too. Recall the previous decision on Tiny Cabins these do not work. Just watch YouTube videos San Jose is about to empty jails and put mentally ill in them. Spring Valley already have enough of those across Sweetwater Road- how about your yard? Band-aids don't work. Look at all the eyesores in the community without help from the county it's all disgraceful, disgusting, pathetic, unhealthy, unsafe, cruel and undemocratic the entire vote. SMH

At the cost of \$100,000, 414 Air Purifiers for the residents in Imperial Beach to be won in a lottery of 3400 entrants! A minuscule bandaid to address a decadessssss old leviathan of a problem without an intentional resolution. Are these air purifiers "safe and effective"? Elected officials have "acted" for decadessssss and the problem continues. Please provide Imperial Beach with a concrete, lasting solution.

NO TINY HOMES! Place back on the agenda and RESCIND the vote! Not near schools and residents. NIMBY Chula Vista has availability and there's no one waiting to go in send people there! CV also has a handle on all of this using licensed help and licensed security unlike the county at the Safe Parking on Bancroft! CV is also in a NON- residential area! CV also spent millions less than this proposed area what other areas besides SV has been discussed because we the people have yet to see elsewhere?

Fund the Police and get back to law and order. San Diego has become a free-for-all except for the tax payer. Save small businesses and prosecute thieves. Institute institutions and drug facilities. Tiny homes is not a solution and nor will it stop the growth- NIMBY and proud of it! What happened to democracy Vargas and Steppe do not represent their constituents! Save our area and rescind the vote! 41k for security for yourself! SHAME

No Tiny Homes this area is close to schools and residents. Where is the list of other proposed areas besides hard hit Spring Valley? You've already opened without any care for neighbors a Safe Parking Lot renting from a religious organization- odd in itself! This lot is not full of families it's not even a quarter full and it's mostly Magnolias unsheltered as it's not open! The Company is not using licensed people and not professional at all. Do your homework! Really you have better security 41k
