**COUNTY OF SAN DIEGO
BOARD OF SUPERVISORS
TUESDAY, MAY 10, 2022**

MINUTE ORDER NO. 5

SUBJECT: ADOPT RESOLUTION FOR, AND AUTHORIZE ACCEPTANCE OF, OLDER ADULT SERVICES REVENUE AGREEMENTS AND GRANTS FOR FISCAL YEAR 2022-2023, AND AUTHORIZATION TO PURSUE FUTURE FUNDING OPPORTUNITIES FOR PROGRAMS SERVING OLDER ADULTS AND PERSONS WITH DISABILITIES (DISTRICTS: ALL)

OVERVIEW

The San Diego County Board of Supervisors (Board) has demonstrated a long-term commitment to enhancing programs focused on the safety and well-being of older adults and persons with disabilities. The County of San Diego (County) Health and Human Services Agency, Aging & Independence Services serves as the region's federally designated Area Agency on Aging and administers these programs. On May 4, 2021 (13), the Board approved the Fiscal Year 2021-22 revenue agreements to fund various programs supporting older adults and persons with disabilities, allowing them to remain safely in their homes and access needed community resources. These services support the goals and objectives established in Aging & Independence Services' 2020-2024 Area Plan which was approved by the Board on July 7, 2020 (7). Additionally, these services align with the Aging Roadmap, the County's regional plan to ensure that the region has programs and communities that equitably support the needs and celebrate the contributions of all older adults in San Diego County. Per the requirement of the California Department of Aging (CDA), this item requests the Board adopt a resolution relating to the CDA revenue agreements and authorize acceptance of \$27,323,290 of federal, State, managed care health plan, and grant revenue for Fiscal Year 2022-23 to support these programs and services.

If approved, today's actions would authorize the acceptance of grant funding, authorize the Clerk of the Board to execute revenue agreements upon receipt, and authorize the Agency Director, Health and Human Services Agency to pursue future funding opportunities. These actions support the County's vision of a just, sustainable, and resilient future for all, specifically those communities and populations in San Diego County that are most vulnerable, as well as our ongoing commitment to the regional *Live Well San Diego* vision of healthy, safe and thriving communities. This will be accomplished by ensuring the County will continue to receive federal, State, and other funding to administer needed programs and services for older adults and persons with disabilities. Additionally, today's action supports the Board's strategic initiatives, by upholding practices that align with community priorities and improve transparency and trust while maintaining good fiscal management of County resources.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

2. Approve and authorize the Clerk of the Board to execute, upon receipt, the following revenue agreements:
 - California Department of Aging Agreements
 - o Area Plan Agreement (AP-2122-23 & AP-2223-23)
 - o Health Insurance Counseling and Advocacy Program (HI-2122-23 & HI-2223-23)

MAY 10, 2022

- o Title V Senior Employment Program (TV-2122-23 & TV-2223-23)
 - o CalFresh Healthy Living (SP-2223-23)
 - o CalFresh Expansion (CF-2223-23)
 - o Financial Alignment (FA-2223-23)
 - o Dignity at Home Fall Prevention (FP-2223-23)
 - o Medicare Improvements for Patients and Providers Act (MI-2223-23)
 - o Multipurpose Senior Services Program (MS-2223-07)
 - San Diego Gas & Electric (Cool Zones program)
 - Fee for Service Contracts
 - Veterans Administration San Diego Healthcare System (Veteran Directed Home and Community Based Service Program)
 - San Diego State University Research Foundation/Geriatric Workforce Enhancement Program
 - University of California San Diego - Dementia Aware
3. Authorize acceptance of the grant from the Corporation for National & Community Service for the Retired Senior and Volunteer Program (RSVP).
 4. Authorize the Clerk of the Board, subject to the approval of the Agency Director, Health and Human Services Agency or designee, to execute all required documents related to the revenue agreements in Recommendations 2 and 3, including any extensions, amendments or revisions thereto that do not materially impact either the program or the funding level.
 5. Authorize the Agency Director, Health and Human Services Agency or designee, to pursue future funding opportunities for the purpose of obtaining financial assistance for programs serving older adults and persons with disabilities.
 6. Adopt a resolution entitled: A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO RELATING TO THE CALIFORNIA DEPARTMENT OF AGING REVENUE AGREEMENTS.

EQUITY IMPACT STATEMENT

There are approximately 959,000 San Diegans over the age of 55, and by 2030, that number is expected to grow to more than 1.1 million. San Diego County's over-85 population is projected to diversify and grow faster than any other age group. The County of San Diego (County) Health and Human Services Agency, Aging & Independence Services (AIS) provides a wide array of services to meet the needs of this growing population and ensure the welfare of older adults, caregivers, and persons with disabilities. To ensure that AIS is sufficiently meeting the needs of the community, AIS will continue to seek community input and feedback through public hearings held annually during the development of the Arca Plan, a planning document required by the California Department of Aging to receive Older Americans Act funds. Community input and collaboration is also obtained through Age Well San Diego teams, comprised of community members, experts and County staff to develop and implement goals in five priority areas of the Aging Roadmap. Today's recommendations will allow the County to continue administering vital programs and services for older adults and persons with disabilities, improving the quality of life for equity-seeking groups of all ages to include, black, indigenous, and people of color (BIPOC), women, people with disabilities, immigrants, and the LGBTQ+ community.

FISCAL IMPACT

Funds for this request are included in the Fiscal Year 2022-23 CAO Recommended Operational Plan in the Health and Human Services Agency. If approved, this request will result in costs of \$28,022,737 and revenue of \$27,323,290 in Fiscal Year 2022-23. The funding sources are:

- State General Fund, Federal Medicaid Program;
- Titles III, V, and VII of the Older Americans Act;
- Older Americans Act American Rescue Plan;
- Federal and State HICAP funds;
- Federal SNAP-ED/CalFresh - Healthy Living, U.S. Department of Health and Human Services;
- Health plans and other healthcare entities;
- San Diego Gas & Electric;
- Veterans Administration San Diego Healthcare System;
- San Diego State University Research Foundation; and
- Corporation for National & Community Service.

A waiver of Board Policy B-29 is requested because the funding does not offset all costs. B-29 costs are \$699,447 for Fiscal Year 2022-23 and will be funded with existing General Purpose Revenue allocated for these programs. The public benefit for providing these services, which allow older adults and those with disabilities to remain safely in their homes and access resources, far outweighs these costs. There will be no change in net General Fund cost and no additional staff years.

Funding Provided through the United States Department of Agriculture, Food and Nutrition Services

ARTICLE I. PROGRAM DEFINITIONS

Definitions Specific to CalFresh Expansion:

- A. “Activity” means actual work performed by program personnel to implement objectives.
- B. “Applicant” means persons/household who have applied for CalFresh benefits.
- C. “Application Assistance” means the provision of help to clients in completing the CalFresh application and gathering verification documents. It may include delivery of signed applications to the local office. Application assistance provides support to the client during the application phase, which can lead to a more complete application, fewer trips to the local office, and easier processing for the eligibility worker.
- D. “CalFresh” means a federal food assistance program, funded by the United States Department of Agriculture (USDA) and known as the Supplemental Nutrition Assistance Program (SNAP). CalFresh is an entitlement that provides low-income families with electronic benefits that can be used to purchase food at participating markets and food stores.
- E. “CalFresh Applications Approved”: CalFresh applications that have been submitted on behalf of a client and approved by the County Welfare Department (CWD) for benefits. It is beyond the scope of this contract for the Contractor to obtain application status on each paper or electronic application from their CWD.
- F. “CalFresh Applications Submitted” means CalFresh applications (both paper and online) that have been submitted on behalf of a client and funded by the CalFresh Outreach Plan.
- G. “CalFresh Partnerships” means partnering with counties and Community Based Organizations (CBO) to address barriers of participation and meet the overall goals of the CalFresh Outreach Plan. This deliverable is defined as the number of collaborative meetings, training and workshops provided to other agencies serving the targeted populations, and participation in local collaborative meetings to provide information and education on CalFresh. This deliverable also includes:
 - 1. Distributing CalFresh Outreach approved information
 - 2. Participating in local collaborative meetings to promote CalFresh Outreach
 - 3. Creating strong partnerships with local CWDs
 - 4. Providing outreach in areas of need, such as, but not limited to, rural communities.

Note: No funds from this Agreement shall be used for public service announcements on radio, television, or billboards. For reference, please see the Farm Bill [Agricultural Act of 2014, Section 4018(a)]

- M. “Outreach” means educational and informational efforts that provide information about the nutritional and other benefits of participating in CalFresh, as well as basic information about how to apply, directed to nonparticipating but potentially eligible persons. Outreach activities accomplish the following: 1) inform low-income households about the availability, eligibility requirements, and application procedures, 2) provide information about the nutritional benefits of CalFresh, 3) correct myths and misperceptions about CalFresh, and 4) allow individuals to make an informed decision about whether to apply based on accurate information. Allowable outreach activities do not include recruitment activities. See the definition of “recruitment activities” for more information.
- N. “Outreach Operations Manual” means the document that provides all the guidelines and information for managing CalFresh Outreach. The manual is available at <https://www.cdss.ca.gov/inforesources/calfresh-outreach/resources/operations-manual> [CalFresh Outreach Operations Manual].

ARTICLE I. PROGRAM DEFINITIONS *Specific to CalFresh Expansion* (Continued)

- R. “Recruitment Activities” means activities designed to persuade an individual to apply for SNAP benefits through the use of persuasive practices. - AA. “Census Tracts” are small, relatively permanent geographic entities within counties (or the statistical equivalent of counties) delineated by a committee of local data users. May be used to adapt elements of an existing evidence-based intervention to a new audience, geographic area, or setting.

ARTICLE I. PROGRAM DEFINITIONS *Specific to SNAP-Ed* (Continued)

2. “Process” evaluation can involve such measures as tracking the number of materials distributed, the number of clients reached, the effectiveness of alternate methods for delivering services and/or barriers to implementing the intervention; helps to assure fidelity that an evidence-based intervention is delivered as designed and thus likely to result in the expected outcomes.
 3. “Outcome” evaluation demonstrates changes that occur in the presence of an intervention but does not establish cause and effect conclusions.
 4. “Impact” evaluation indicates how effective the intervention was in changing the target populations’ attitudes, awareness and/or behavior.
- HH. “Evidence-Based Approach” means a nutrition education and obesity prevention approach that integrates the best research evidence with the best available practice-based evidence.
1. The best research evidence refers to relevant, rigorous nutrition and public health nutrition research, including systematically reviewed scientific evidence.
 2. Practice-based evidence refers to case studies, pilot studies, and evidence from the field of nutrition education interventions that demonstrate obesity prevention potential.
 3. Evidence may be related to obesity prevention target areas, intervention strategies, and/or specific interventions. The target areas are identified in the current *Dietary Guidelines for Americans*. Intervention strategies are broad approaches to intervening in specific target areas. Interventions are a specific set of evidence-based, behaviorally focused activities and/or actions to promote healthy eating and active lifestyles.
 4. Evidence-based allowable uses of funds for SNAP-Ed include conducting and evaluating intervention programs and implementing and measuring policy, systems, and environmental changes in accordance with SNAP-Ed Guidance.

**COUNTY OF SAN DIEGO
BOARD OF SUPERVISORS
TUESDAY, MAY 06, 2025**

MINUTE ORDER NO. 5

SUBJECT: AUTHORIZE ACCEPTANCE OF OLDER ADULT SERVICES REVENUE AGREEMENTS AND GRANTS FOR FISCAL YEAR 2025-26 THROUGH FISCAL YEAR 2028-29, AND AUTHORIZE APPLICATION FOR FUTURE FUNDING OPPORTUNITIES FOR PROGRAMS SERVING OLDER ADULTS AND PERSONS WITH DISABILITIES (DISTRICTS: ALL)

OVERVIEW

The County of San Diego (County) Health and Human Services Agency (HHSA), Aging & Independence Services (AIS) serves as the region's federally designated Area Agency on Aging and administers programs focused on the safety and well-being of older adults and persons with disabilities. These services align with the Aging Roadmap, the County plan to ensure the region has programs and communities that equitably support the needs and leverage the contributions of all older adults in the county.

On April 30, 2024 (7), the San Diego County Board of Supervisors (Board) approved Fiscal Year (FY) 2024-25 revenue agreements, grants, and a Memorandum of Understanding (MOU) with the California Department of Aging to fund various programs that support older adults and persons with disabilities, allowing them to remain safely in their homes and access community resources. These programs and services support the goals and objectives established in the AIS 2024-2028 Area Plan, approved by the Board on April 9, 2024 (6). Required by the Older Americans Act (OAA), the AIS Area Plan 2024-2028 details how AIS will utilize funds received through the OAA to provide services that meet the identified needs of older adults, persons with disabilities, and their caregivers throughout the county.

This item requests the Board authorize the acceptance of federal and State revenue agreements and grants for FY 2025-26 through FY 2028-29 to support these programs and services. Today's action requests the Board waive Board Policy B-29, authorize the acceptance of \$8,899,859 of federal and State revenue agreements and grants in FY 2025-26, \$808,811 in FY 2026-27, \$808,811 in FY 2027-28, and \$80,000 in FY 2028-29, authorize the Clerk of the Board to execute revenue agreements and grants upon receipt, and authorize the Deputy Chief Administrative Officer of HHSA to apply for future funding opportunities that support programs serving older adults, persons with disabilities, and their caregivers. Additionally, today's action would account for the required County match for the remainder of the MOU through FY 2028-29.

These actions support the County vision of a just, sustainable, and resilient future for all, specifically those communities and populations in San Diego County that have been historically left behind, as well as our ongoing commitment to the regional *Live Well San Diego* vision of healthy, safe and thriving communities. This will be accomplished by ensuring the County will continue to receive federal, State, and other funding to administer necessary programs and services for older adults, persons with disabilities, and their caregivers.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. Waive Board Policy B-29: Fees, Grants, Revenue Contracts - Department Responsibility for Full Cost Recovery, which requires full cost recovery of grants and revenue contracts.
2. Approve and authorize the Clerk of the Board to execute, upon receipt, the following revenue agreements and grants:
 - o California Department of Aging Agreements (CalFresh Expansion and SNAP-Ed/CalFresh Healthy Living (CF-2526-23) and Multipurpose Senior Services Program (MS-2526-07))
 - o Veterans Administration San Diego Healthcare System (Veteran Directed Home and Community Based Service Program)
 - o University of California San Diego Research Foundation/Geriatric Workforce Enhancement Program
3. Authorize the Clerk of the Board, subject to the approval of the Deputy Chief Administrative Officer of the Health and Human Services Agency or designee, to execute all required documents related to the revenue agreements, and grants in Recommendation 2, including any extensions, amendments or revisions thereto that do not materially impact either the program or the funding level.
4. Authorize acceptance of the grant from the Corporation for National Community Service for the Retired Senior and Volunteer Program.
5. Authorize the Deputy Chief Administrative Officer of the Health and Human Services Agency or designee, to apply for future funding opportunities that support programs serving older adults, persons with disabilities and their caregivers.

EQUITY IMPACT STATEMENT

There are nearly 710,000 San Diegans over the age of 60, and by 2029, that number is expected to increase to more than 824,500. Additionally, the population over the age of 85 in San Diego County is projected to grow faster than any other age group. The County of San Diego (County) Health and Human Services Agency, Aging & Independence Services (AIS) provides a wide array of services to meet the needs of this growing population and ensures the welfare of older adults, persons with disabilities, and their caregivers.

AIS receives recurring input and feedback regarding programs and services through its various committees. On April 14, 2025, AIS received additional community input and feedback through the annual Area Plan Public Hearing. The Area Plan, required by the Older Americans Act (OAA), details how AIS will utilize funds received through the OAA to provide services that meet the identified needs of older adults, persons with disabilities, and their caregivers, countywide. Accepting revenue agreements and grants will allow the County to continue administering vital programs and services for older adults and persons with disabilities, improving the quality of life for groups of all ages.

SUSTAINABILITY IMPACT STATEMENT

Working with partners to improve and expand programs and services that contribute to the safety and welfare of older adults and persons with disabilities will advance the County of San Diego (County) Sustainability Goal #1 to engage the community in meaningful ways; Sustainability Goal #2 to provide just and equitable access to County services; and Sustainability Goal #4 to protect the health and

well-being of everyone in the region. Specifically, programs and services provided with this funding allows older adults and persons with disabilities to remain safely in their homes and access necessary community resources. Additionally, the funded programs help meet the needs of caregivers, reduce isolation, and increase social connections.

FISCAL IMPACT

Funds for this request are included in the Fiscal Year (FY) 2025-26 CAO Recommended Operational Plan in the Health and Human Services Agency. If approved, this request will result in costs of \$8,910,767 and revenue of \$8,899,859 in FY 2025-26, costs and revenue of \$808,811 in FY 2026-27, costs and revenue of \$808,811 in FY 2027-28, and costs and revenue of \$80,000 in FY 2028-29. In addition, annual costs of \$644,044 associated with the required match of the previously approved Memorandum of Understanding on April 30, 2024 (7) are anticipated for FY 2025-26, FY 2026-27, FY 2027-28, and FY 2028-29.

The funding sources include:

- State General Fund, Federal Medicaid Program;
- Federal SNAP-ED/CalFresh - Healthy Living, U.S. Department of Health and Human Services;
- Veterans Administration San Diego Healthcare System;
- Corporation for National & Community Service; and
- University of California San Diego.

A waiver of Board Policy B-29 is requested because the funding does not offset all costs. The B-29 costs are \$654,952 for FY 2025-26, and \$644,044 each year for FY 2026-27, FY 2027-28, and FY 2028-29, and will be funded with existing General Purpose Revenue allocated for these programs. The public benefit for providing these services, which allow older adults and those with disabilities to remain safely in their homes and access resources, far outweighs these costs. There will be no change in net General Fund cost and no additional staff years.

HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSEExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. Applicable Regulations – Prior to October 1, 2025, the recipient agrees this award will be subject to 45 C.F.R. Part 75 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards), with the exception of eight flexibilities HHS adopted on October 1, 2024, from 2 C.F.R. Part 200. See 2 C.F.R. § 300.1 (Adoption of 2 C.F.R. Part 200). After October 1, 2025, this award will be subject to all applicable provisions of 2 C.F.R. Parts 200 and 300 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards).
2. Funding beyond this budget period is contingent upon the availability of appropriated funds for this program, recipient satisfactory performance, program authority, compliance with the Terms and Conditions of the award, and a decision that continued funding is in the best interest of the Federal government.
This award action is based on HRSA's approval of the recipient's application and any modifications at the time of this award. Continued support for this award may be subject to other programmatic considerations to the extent permitted by law, including, but not limited to, Administration priorities and court orders.
Should additional federal funds not be available and/or shifting priorities affect the programmatic objectives of this award, the recipient will work with HRSA to revise any workplan tasks and budget in accordance with 45 CFR 75.308 (Revision of budget and program plans).
3. This Notice of Award is issued based on HRSA's approval of the Non-Competing Continuation (NCC) Progress Report. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under "Expanded Authority," as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See "Prior-Approval Requirements" in the DHHS Grants Policy Statement: <https://www.hhs.gov/sites/default/files/hhs-grants-policy-statement-october-2024.pdf>
4. By accepting this award, including the obligation, expenditure, or drawdown of award funds, recipients, whose programs are covered by Title IX, certify as follows:
 - Recipient is compliant with Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. §§ 1681 et seq., including the requirements set forth in Presidential Executive Order 14168 titled Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government, and Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d et seq., and Recipient will remain compliant for the duration of the Agreement.
 - The above requirements are conditions of payment that go to the essence of the Agreement and are therefore material terms of the Agreement.
 - Payments under the Agreement are predicated on compliance with the above requirements, and therefore Recipient is not eligible for funding under the Agreement or to retain any funding under the Agreement absent compliance with the above requirements.
 - Recipient acknowledges that this certification reflects a change in the government's position regarding the materiality of the foregoing requirements and therefore any prior payment of similar claims does not reflect the materiality of the foregoing requirements to this Agreement.
 - Recipient acknowledges that a knowing false statement relating to Recipient's compliance with the above requirements and/or eligibility for the Agreement may subject Recipient to liability under the False Claims Act, 31 U.S.C. § 3729, and/or criminal liability, including under 18 U.S.C. §§ 287 and 1001.
5. As required by the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109–282), as amended by section 6202 of Public Law 110–252, recipients must report information for each subaward of \$30,000 or more in Federal funds and executive total compensation, as outlined in Appendix A to 2 CFR Part 170. You are required to submit this information to the System for Award Management (Sam.gov) at <https://sam.gov/> by the end of the month following the month in which you awarded any subaward. The FFATA reporting requirements apply

for the duration of the project period and so include all subsequent award actions to aforementioned HRSA grants and cooperative agreement awards (e.g., Type 2 (competing continuation), Type 5 (non-competing continuation), etc.). Subawards to individuals are exempt from these requirements. For more information, visit: <https://www.hrsa.gov/grants/ffata.html>.

6. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under "Expanded Authority," as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See "Prior-Approval Requirements" in the DHHS Grants Policy Statement: <https://www.hhs.gov/sites/default/files/hhs-grants-policy-statement-october-2024.pdf>.
7. The recipient must submit a Quarterly Progress Update (QPU) to HRSA via the Electronic Handbook (EHB) at the completion of each quarter. The QPU will be automatically generated and allows recipients to document progress on their activities based on the information submitted in the Standardized Work Plan. An email notification will be sent as a reminder that a report is due, including instructions on how to provide the reports through the EHB system.
8. Project Directors must work with the HRSA Program Official Contact (item 10 on the Notice of Award) within 30 days of receipt of award to revise/approve the Standardized Work Plan (SWP).
9. The Recipient hereby agrees that it will comply with Title VI of the Civil Rights Act of 1964, as amended (codified at 42 U.S.C. 2000d *et seq.*), and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 C.F.R. Part 84); Title IX of the Education Amendments of 1972, as amended (codified at 20 U.S.C. § 1681 *et seq.*), and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 C.F.R. Part 86); The Age Discrimination Act of 1975, as amended (codified at 42 U.S.C. § 6101 *et seq.*), and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 C.F.R. Part 91); and Section 1557 of the Patient Protection and Affordable Care Act, as amended (codified at 42 U.S.C. § 18116), and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 CFR Part 92).
10. Prior to October 1, 2025, this award is subject to the termination provisions at 45 C.F.R. 75.372. Starting on October 1, 2025, this award is subject to the termination provisions at 2 C.F.R. 200.340. Pursuant to 2 C.F.R. 200.340, the recipient agrees by accepting this award that continued funding for the award is contingent upon the availability of appropriated funds, recipient satisfactory performance, compliance with the Terms and Conditions of the award, and a decision by the agency that the award continues to effectuate program goals or agency priorities.

Program Specific Term(s)

1. Funding will be provided in the form of a cooperative agreement. A cooperative agreement, as opposed to a grant, is an award instrument of financial assistance where substantial involvement is anticipated between HRSA and the recipient during performance of the contemplated project.

Aside from monitoring and technical assistance (TA), we also get involved in these ways:

- 1) Participating in the planning, development, and evaluation of all phases of the project.
- 2) Reviewing procedures to be implemented for accomplishing the objectives of the cooperative agreement.
- 3) Reviewing project training and education products such as videos, toolkits, assessment tools, on-line curricula, manuscripts, and special issues of journals as they are being developed and prior to dissemination.
- 4) Assisting recipients and their partners in developing a national GWEP network to share resources, best practices, and lessons learned.
- 5) Providing assistance in the establishment and facilitation of effective reciprocal partnerships with federal, state, and local agencies, HRSA projects and other resource centers, and other entities that may be relevant to the project's mission.
- 6) Providing programmatic input and consultation for development and delivery of education and training materials.
- 7) Working with recipients and their partners to develop and implement quality improvement assessment and evaluation strategies to provide age-friendly and dementia-friendly care, and quality improvement initiatives.
- 8) Working with the recipients in finalizing the Standardized Work Plan (SWP) and with the quarterly progress updates.
- 9) Providing information resources.

You must follow all relevant federal regulations and public policy requirements. Your other responsibilities will include:

- 1) Participating in ongoing monthly technical assistance calls with other recipients and HRSA staff.
- 2) Discussing quarterly reviews of the SWP with the HRSA staff.
- 3) Providing the HRSA project officer with an opportunity to review project information prior to dissemination.
- 4) Establishing contacts relevant to the project's mission such as GWEP partners, federal, state, and local partners, and other HRSA projects.
- 5) Coordinating activities with other GWEP recipients where possible.
- 6) Working with HRSA to evaluate program performance and respond to HRSA reporting requirements.

- Recipients are responsible for meeting all requirements as outlined in Notice of Funding Opportunity Announcement HRSA-24-018, and must continue to be in compliance with all grant requirements throughout the project period. Failure to meet grant requirements may result in action taken against the grant award, up to and including grant termination.
- The awardee must submit a progress report to HRSA on an **annual** basis. The Bureau of Health Workforce (BHW) will verify that approved and funded applicants' proposed objectives are accomplished during each year of the project. The BHW Progress Report has two parts. The first part demonstrates awardee progress on program-specific goals. Awardees will provide performance information on project objectives and accomplishments, project barriers and resolutions, and will identify any technical assistance needs. The second part collects information providing a comprehensive overview of awardee overall progress in meeting the approved and funded objectives of the project, as well as plans for continuation of the project in the coming budget period. The awardee is also expected to report on dissemination activities in the annual progress report.

To Whom it May Concern,

On behalf of the County of San Diego (County) Health and Human Services Agency, Aging & Independence Services (AIS), please accept this letter of agreement in support of the San Diego Imperial Geriatric Education Center (SDIGEC).

AIS serves as the region's federally designated Area Agency on Aging and is committed to continuing our long-standing partnership with the SDIGEC. The SDIGEC has been integral to developing reciprocal partnerships across academic, healthcare, and community-based organizations in the San Diego region. SDIGEC has been an important component of the County's Alzheimer's Project, a regional multi-sector initiative in place since 2014 that brings together San Diego's service providers, healthcare, and research communities to improve care for individuals and families struggling with Alzheimer's disease and related dementias (ADRD). This partnership has also helped to advance the work of the Aging Roadmap, which is the County's regional vision and framework for supporting healthy aging for people of all ages. The Aging Roadmap has ten priority areas, including three closely related to ADRD issues: Caregiver Support, Dementia, and Medical & Social Services. Approved by the San Diego County Board of Supervisors in 2019, the Aging Roadmap includes the Alzheimer's Project and advances a more age-friendly and dementia-friendly community in which everyone can age well.

As part of this partnership with SDIGEC, AIS has worked to bridge clinical and community sectors, expand access to information, and develop multiple resources for persons living with dementia, care partners, and service providers, including a caregiver handbook, dementia-friendly activity toolkit, communication tip card, and brochures for organizations in various sectors such as libraries and banking. In October 2022, the County created a new Chief Geriatric Officer position, and hired Dr. Lindsey Yourman to serve in this role. AIS works closely with Dr. Yourman as she provides support to local physicians to improve detection, diagnosis, and management of ADRD. As a geriatrician, Dr. Yourman previously worked full-time in the University of California San Diego Division of Geriatrics, Gerontology and Palliative Care, and continues in that division as an affiliated Associate Professor of Medicine. Together, AIS and Dr. Yourman have collaborated with Dr. Roopali Gupta, Program Director for the SDIGEC on Age-Friendly Health System trainings and implementation.

AIS will continue to serve as a partner for SDIGEC, and as the County's lead for the Aging Roadmap and Alzheimer's Project, AIS will continue to ensure integration of these initiatives with the SDIGEC.

Additionally, AIS will:

- Host and participate in meetings of the SDIGEC Leadership Team and Partnership Council.
- Deliver age-friendly and dementia-friendly trainings and provide applicable materials to local service providers.
- Work to develop an age-friendly region and, with the Chief Geriatric Officer, provide support to healthcare organizations to achieve Age-Friendly Health System recognition.
- Collaborate with our Chief Geriatric Officer and SDIGEC to facilitate connections and identify training needs with local Skilled Nursing Facilities.

We look forward to continuing our partnership and work with the SDIGEC.

HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSExternal/interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

 7. Project Directors are required to attend monthly all GWEP meetings, quarterly contact meetings with your Project Officer, and all annual

GWEP meetings.

8. 45 CFR Part 75 applies to all federal funds associated with the award. Part 75 has been effective since December 26, 2014. All references to prior OMB Circulars for the administrative and audit requirements and the cost principles that govern Federal monies associated with this award are superseded by the Uniform Guidance 2 CFR Part 200 as codified by HHS at 45 CFR Part 75.
9. As required by the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282), as amended by section 6202 of Public Law 110-252, recipients must report information for each subaward of \$30,000 or more in Federal funds and executive total compensation, as outlined in Appendix A to 2 CFR Part 170. You are required to submit this information to the FFATA Subaward Reporting System (FSRS) at <https://www.fsrs.gov/> by the end of the month following the month in which you awarded any subaward. The FFATA reporting requirements apply for the duration of the project period and so include all subsequent award actions to aforementioned HRSA grants and cooperative agreement awards (e.g., Type 2 (competing continuation), Type 5 (non-competing continuation), etc.). Subawards to individuals are exempt from these requirements. For more information, visit: <https://www.hrsa.gov/grants/ffata.html>.
10. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under "Expanded Authority," as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See "Prior-Approval Requirements" in the DHHS Grants Policy Statement: <https://www.hhs.gov/sites/default/files/grants/grants/policies-regulations/hhsgrps107.pdf>.
11. The funds for this award are in a sub-account in the Payment Management System (PMS). This type of account allows recipients to specifically identify the individual grant for which they are drawing funds and will assist HRSA in monitoring the award. Access to the PMS account number is provided to individuals at the organization who have permissions established within PMS. The PMS sub-account code can be found on the HRSA specific section of the NoA (Accounting Classification Codes). Both the PMS account number and sub-account code are needed when requesting grant funds. **Please note that for new and competing continuation awards issued after 10/1/2020, the sub-account code will be the document number.**
You may use your existing PMS username and password to check your organizations' account access. If you do not have access, complete a PMS Access Form (PMS/FFR Form) found at: <https://pmsapp.psc.gov/pms/app/userrequest>. If you have any questions about accessing PMS, contact the PMS Liaison Accountant as identified at:
<http://pms.psc.gov/find-pms-liaison-accountant.html>
