As a biologist I applaud the SD River Park Foundation's work to increase natural habitats.

San Diego has a 5.2% jobless rate, which is alarming in this age of high inflation and fiscal uncertainty. We need to be developing job opportunities for the homeless and disadvantaged. Yet this proposal says The San Diego River Park Foundation will use the vacant land for wildlife conservation and public recreation; no development will be done.

Again, I oppose this land purchase just for wildlife and recreation. We must do better.
