**RE: Item 1, Sept. 15, 2021, Transportation Study Guide - *Support for recommended actions***

Dear Chairperson Fletcher and Members of the Board:

Endangered Habitats League (EHL) concurs that new guidance from OPR clarifying the "region" as the entire county necessitates rescinding the adopted Transportation Study Guide (TSG) and associated CEQA thresholds. We also endorse carrying on the current staff work program to return to your Board with information on the 13 VMT-related items. This information will be useful when considering preparation of a revised TSG. We look forward to continuing to work with you, DPDS, and DPW.

Yours truly,  
Dan Silver
