Dear Mr. Grant Oliphant,

On behalf of the San Diego County Board of Supervisors, I thank you and the entire team at the Conrad Prebys Foundation for the generous donation of \$500,000 and the continued support given to the Public Defender's Immigrant Rights Legal Defense Program.

This substantial donation will significantly impact the fiscal sustainability of the Immigrant Legal Defense Program (ILDP) to protect individuals unjustly facing deportation.

Thank you for your commitment to supporting the Immigrant Legal Defense Program, as this program is vital to advancing long-term community resilience by prioritizing local resources to protect due process. Promoting legal representation and stable families reduces the risk of unjust deportation, strengthens trust in government, and fosters the social cohesion that underpins a safe and sustainable region. Thank you for your continued partnership in these efforts.

Sincerely,

Terra Lawson-Remer
