Subject: [External] FACILITIES AND/OR EQUIPMENT GRANT FUNDING (PLEASE INCLUDE WITH DOCUMENTS FOR AGENDA #8)
Date: Thursday, October 17, 2024 11:35:22 AM

Good Morning, Supervisors,

Re-AUTHORIZE ACCEPTANCE OF COMMUNITY PROJECT
FUNDING /

CONGRESSIONALLY DIRECTED SPENDING: FACILITIES AND/OR
EQUIPMENT GRANT FUNDING

Interesting you say that diseases like typhoid, smallpox, and diphtheria are now considered diseases of the past. Because other diseases 'of the past' like whooping cough and TB are making a comeback.

I also notice that the letter says that COVID was the 4th leading cause of death for Hispanics in 2022 although the leading cause in 2021. Wonder what it is now.

Old and resurgent illness statistics like these indicate a need for modernized medical equipment and a whole lot more, like critical and creative thinking.

So \$2-1/2 mil is a great start!

Regards,

Paul Henkin
