This is another Trojan Horse agenda being pushed forth by the 3 Progressive Supvs. The real intent is to keep undesirable (aka dissenting) viewpoints off of these Boards & Commissions.

A Black pastor w/Biblically held beliefs has as much right to a seat at the table as someone w/opposing beliefs.

The proposed revisions are meant to stack the deck further to entrench Progressive members at the expense of traditional points of view.

NO on this.

I oppose.

I strongly oppose this attempt to go around the Brown act and get public opinion via appointed committees. The whole premise that minorities are not represented by elected officials because they supposedly vote in lower numbers is ridiculous. There are ballot harvesting and registration efforts on both sides of the political spectrum making that absolutely irrelevant.

I support and appreciate this resolution.
