<b>Item #</b>	<b>Notes/Comments</b>
1	Bond Indenture requires a pledge of all project area revenues until the amount equals total annual debt service. The annual debt service of \$1,404,244 for FY 2026-27 is fully funded on ROPS 26-27, including a payment scheduled for December 2026 that includes a turbo redemption amount that is required if funds are available each year. Turbo payments are applied to the end of the debt service schedule, forcing recalculation of interest for all remaining payments. Previous turbo payments have accelerated amortization of total outstanding principal and interest. Therefore, full amortization and expiration will be accomplished with December 2026 payment.
2	The County of San Diego Airport Enterprise Fund (AEF) loan for Gillespie Field redevelopment purposes was reinstated on ROPS 14-15B. Current annual repayment is estimated at \$216,872 in accordance with legislated requirements for interest calculation and distribution. The outstanding amount is taken from the debt service schedule calculated at 3% in accordance with governing legislation.
