Didn't know where to send this request. Please assign ASAP 2 full-time CHP officers or create 2 special SD County officers to only patrol Highway 67 24/7 so citizens can be safer driving it. It has become a literal "bully highway" where people pass routinely on a double yellow line, on the shoulder, speed, and try to squeeze you out when 2 lanes merge into 1 lane. Too many injuries and fatalities continue to occur on this Highway 67 that could be prevented. Large fines and/or license suspension needs to be given for driving violations. Please, help the East County residents and visitors stay alive and uninjured.
