My name is Sarah Lee and I've spent half my life in San Diego. I have family members who have lived in San Diego for over 30 years. The Sheriff should not be using local resources to do federal immigration work, especially a time of intensifying fear and repression for the immigrant community. Sanctuary policies ensure due process which is a fundamental part of our democracy. County Board Policy L-2 promotes public safety, helping victims and witnesses, including survivors of domestic violence, come forward to get the help they need without fear of deportation. The Sheriff's office must immediately comply with County Board Policy L-2 and the CA Values Act; and stop colluding with Trump to traumatize our communities.
