Subject: [External] Comments on and REQUEST TO REMOVE ITEMS FROM the Consent Calendar
Date: Thursday, May 19, 2022 5:31:26 PM

Hi Supervisors,

This is my assessment of the Consent Calendar items. I think that item 10. (PROMOTING CIVIC ENGAGEMENT THROUGH BOARDS, COMMITTEES, AND COMMISSIONS) is wasteful, harmful, and treats those generous enough to volunteer their time as children. This item should be separated from the Consent Calendar for a more thorough public debate and not buried in a partly non-public proceeding. Shame on you. This matter (and a shocking number of others both past and present) are not routine.

What seems to be routine is the practice of putting non-routine matters on the Consent Calendar.

I also think that items 4 (COMMUNITY LAND TRUST MODEL PILOT PROGRAM) and 6 (APPROVE \$10 MILLION CAPITAL EMERGENCY HOUSING SOLUTIONS GRANT) are non-routine matters and should not be on the Consent Calendar.

PLEASE REMOVE ITEMS 4, 6, AND 10 FROM THE CONSENT CALENDAR.

If I may make a constructive suggestion, **a good step would be to identify routine matters in the title** (maybe "SUBJECT: ROUTINE..." or "SUBJECT-NON-ROUTINE:...") to take **some of the guesswork out of it.**

Note my comments on certain individual items below:

17. LEASE CLINIC SPACE FOR THE HEALTH AND HUMAN SERVICES AGENCY

[Overview says this lease includes the Sexually Transmitted Diseases (STD) Clinic run by the County Health Agency. I suggest that you should pay for this from COVID funds since it caused an upsurge in STD's.]

10. PROMOTING CIVIC ENGAGEMENT THROUGH BOARDS, COMMITTEES, AND COMMISSIONS

[The recommendations include 2. Developing a baseline assessment of the diversity of appointees, language accessibility, transparency efforts, and staff time. and 4. Developing an outreach strategy to encourage civic participation and transparency with a particular focus on youth and underrepresented populations.]

I do not think we need to spend the extra time (and taxpayer money) vetting volunteer candidates to ensure the diversity of appointees, language accessibility, transparency efforts, and staff time. We or the supervisors can do this. **This might also have the unintended consequence of having people on these commissions who are not elected by a majority and therefore do not represent the community as a whole.** Therefore I oppose an assessment and costs to do so.

The recommendations also include 3. Developing a Code of Conduct for all appointees that promotes civil discourse including, but not limited to the Board's previously adopted Rules of Procedure and conduct described in the "Code of Civil Discourse" from the National Conflict Resolution Center.

Code of Conduct sounds a bit like censorship, and a bit like big momma. I mean, the Board's updated Rules of Procedure are unduly restrictive and are not applied in a fair and even manner. The Code of Civil Discourse are more principles, good principles, but are not a code as such. The people on these commissions are mostly or all volunteers and, while a few general principles for conduct are in order, let us not get them excited to serve then throw the figurative gavel at them.]

1. FIRE SAFETY AT FOX FIRE CENTER

The area around Camp Fox, in the Cleveland National Forest at the base of Palomar Mountain, surely could use more fire protection.

[I see nothing in this proposal about hiring new firefighters, and the FISCAL IMPACT section says that there will be no additional staff years. So I Hope these CALFIRE crews will not be taken from other SD County areas.]

2. SHERIFF'S LAW ENFORCEMENT AGREEMENT WITH NORTH COUNTY TRANSIT

[Is there an actual need for law enforcement at/on the NCTD busses?]

4. COMMUNITY LAND TRUST MODEL PILOT PROGRAM

[Recommendation 2 is to Direct the Chief Administrative Officer to enter into negotiations for a forgivable loan of \$1.5 million for the creation of a land trust project. Can we afford this much as a **forgivable loan** (so it will go to the contractor and he can use it (or mess it up) however he wants, or will there be limits set?)]

6. APPROVE \$10 MILLION CAPITAL EMERGENCY HOUSING SOLUTIONS GRANT

[So, the County wants to spend 10M for housing after approving a bunch of housing projects? County Population is shrinking(your figures.) I foresee alot of empty units and wasted money if further projects are authorized, and is there available land for these, or will you create homelessness to 'solve' homelessness?]

7. HOMELESS HOUSING ASSISTANCE AND PREVENTION GRANT PROGRAM

This item would authorize an application, preparation of documents, implementation, and any other actions as required by the State for the Homeless Housing round three grant funding; and then issuance of a competitive solicitation for Housing Our Youth services.

[So how much funding is needed for this application and related actions? Why is no actual figure included in the fiscal impact?]

9. ACCEPT TOBACCO TAX FUNDS FOR LOCAL ORAL HEALTH PROGRAM

[The Overview says the County has received State funding for local tobacco education and prevention activities including oral health. Now the Supervisors want to authorize acceptance of the next round of funding, an additional \$4,206,950 for the period July 1, 2022, through June 30, 2027.

Sounds good if the funds (taxpayer money) are for oral health and not linked in some way for local tobacco education and prevention activities including oral health as part of it.]

11. NEIGHBORHOOD REINVESTMENT PROGRAM & COMMUNITY ENHANCEMENT GRANTS (DISTRICT: 4)

2. Allocate \$6,500 from the Community Enhancement Program budget (Org 12900) to [redacted] Media Heritage, Inc. to help fund artists' fee at the Film Out San Diego 2022 LGBTQ [redacted] Film Festival that will enhance our communities by providing San Diego County [redacted] residents and visitors with the opportunity to engage in-person with filmmakers and [redacted] actors telling LGBTQ stories.
