Hi Supervisors,

While I have noting against new people on ad hoc committees,

Recommendation 3 of this item includes dissolution of ad hoc (and other) Board Committees. These include (1) Affordable Housing Solutions Ad Hoc Subcommittee, (2) Climate Advisory Subcommittee, (3) COVID-19 Issues Ad Hoc Subcommittee, (4) County Administration Center Building Occupancy/Waterfront Park, (5) Fiscal Management & Budget Strategy Subcommittee, (6) San Onofre Nuclear Generating Station Fuel Removal, (7) Schools Subcommittee, and (8) Summit on Aging Subcommittee.

I oppose the dissolution of any Board Committee where there is pending business. I think that we can all agree that the Affordable Housing problem, Climate problem, REAL COVID issues, school issues, and many of the other problems these Committees are working on will continue, and it is unfair to dissolve the Committee in the middle of working on a problem.

Dissolving, and then re-establishing these Committees is a waste of money and energy. Let's continue the ones which are still working.

Regards,

Paul Henkin
