The petitioner has had one goal since 2020 when we were still together. We split up on 01/27/2020 and her main goal was to expel me from their lives by what ever means necessary. She kept them away from me the 1st time for 18 months for ther reason that i would not do or give her what she wanted out of me. She treatned with keeping the children away. Then she committed fraud on the IRS tiwice and wanted me to take the blame while using the children as leverage against me. She's manipulated the children and me to get what she wants.
