Please support this tax appropriation increase for Valley Center and Deer Springs Fire Districts. We have learned how critical it is to provide our fire districts with the funds needed to keep our communities safe - especially those in high fire areas like Valley Center & Deer Springs. Your consideration to this end will be an example to the rest of the state on how good governance can work.

Thank you for supporting the funds for the Valley Center Fire Protection District. This will go a long way to help to our fire service manage us living in a very high fire hazard area.
