the manner provided in Section 89.107(A) and 89.107(B) of this Division.

Section 2. It is the finding of the Board of Supervisors of San Diego County that the public health, safety, and welfare require the removal of poles, overhead wires, and associated structures, and the underground installation of wires and facilities for supplying electric, communication or similar or associated service within Underground Utility District 118. The Board of Supervisors further finds that Underground Utility District No.118, herein created, is in the general public interest because that portion of Bonita Road, from 400 feet southwest of Frisbie Street to the intersection of Bonita Road and San Miguel Road, within Underground Utility District No. 118, meets the criteria mandated by the California Public Utilities Commission.

Section 3. This ordinance shall take effect and be in force thirty (30) days after the date of its passage, and before the expiration of fifteen (15) days after its passage, it shall be published once, with the names of the members voting for and against the same in the Daily Transcript.
