ii. Oral Proposals. After the public opening, examination, and declaration of written proposals, the Director will invite responsible bidders to make bids orally. The first oral bid must be at least one hundred five percent (105%) of the highest written bid submitted or must be for the minimum bid amount, whichever is higher. Each oral bidder must submit or have submitted the Proposal Form and deposit or have deposited with the Director the required Bid Deposit prior to making an oral bid. After the initial oral bid is made, the Director reserves the right to set specific minimum incremental bid amounts during oral bidding in order to expedite the proceedings.

iii. Duplicate High Proposals. In the event that two or more written proposals are received which are equal in amount, and no oral bids are made, the proposal accepted shall be that of the proposer whose Proposal Form and Deposit were submitted first to the County as determined by the date and time provided on the Proposal Form.

iv. Rejection of Written Proposals and/or Oral Bids. The Director reserves the right to reject any and all bids or to waive any informality in the bidding process. If the sale is canceled, all deposits will be refunded without payment of interest.

v. Final Acceptance by the Board of Supervisors. The amount of money the highest approved bidder proposed to pay for the Property shall be referred herein as the "Purchase Price."

g. Purchase and Sale Agreement. The selected highest bidder shall execute the Purchase and Sale Agreement with the County within five (5) business days of the approval of the highest bidder by the Board of Supervisors. The Purchase and Sale Agreement can be found on the "Properties for Sale" link found at www.sdcre.com. The selected bidder shall have up to one-hundred eighty (180) days to close escrow from the Opening of Escrow (as such term is defined below). Additionally, the selected bidder may request to extend the closing date by three (3) periods of thirty (30) days each and if the escrow is extended, the Purchase Price for the Property will be increased by one percent (1.0%) at the beginning of each extension period or as determined by the Director in the Director's discretion. i. As-is Sale. The Property is sold “as is” and the County does not warrant that this Property is fit for a particular purpose. The County makes no representations as to the condition of the Property, conformance to the zoning requirements or permit regulations, soil conditions, or the existence, if any, of any hazardous materials on the Property. Purchaser is responsible for conducting their own due diligence.

j. Escrow. The opening of escrow for the Property shall occur within ten (10) business days following the full execution of the Purchase and Sale Agreement for the Property (“Opening of Escrow”). The instructions for the escrow agent for the sale of the Property will be based upon the terms and conditions specified in this Resolution and the Purchase and Sale Agreement for the Property. The selected highest bidder shall pay all costs of the escrow for the Property, including recording fees, Transfer Tax, documentary stamp taxes, government conveyance fees, title insurance, and any other title and escrow fees and charges. The County shall not pay any fees, taxes or other charges and expenses.

k. Broker Commission. In the event the winning bidder is also represented by a licensed real estate broker, then the broker will be paid a commission of two percent (2%) of the sale price. As required by Government Code 25527, the name of the broker must be included in the sealed written proposal or with the oral bid. Any commission shall only be paid out of money received by the County from the sale of the property.

l. Restrictive Covenant. The County will convey its rights, title, and interest in the Property by a grant deed. As required by Surplus Land Act, Section 54233 of the Government Code, at the time of sale, a restrictive covenant will be recorded against the Property, which will state that if ten (10) or more residential units are developed on the Property then at least fifteen percent (15.0%) of the total units shall be rented or sold at affordable housing cost or affordable rent to lower income households as such terms are defined in Section 54233. The County assumes no liability for any other possible encumbrances either of record or not of record.
