You still haven't put the case summary into an editable file, per the Brown Act, and I would appreciate a 10 word (i.e. short) summary of the cases. I see 3 cases which should have been settled, one where the County shout butt out, and Union crappola.

Castanares vs SD – shame shame – the Sheriff should release records pertaining to public matters.

Not sure why you are discussing a case involving the SD Public Library Foundation vs. Diana Fuentes, since neither is the County, and there is nothing to indicate why this is not a waste of your time & our money.

Anthony Avalos – a tragic case where a young boy was tortured and killed but it seems to have happened and adjudicated in LA so not sure why San Diego is involved. Case has been here since 2022 – should be settled by now.

XHR is challenging the property tax for a hotel in Carlsbad in 2023 – surprised it's taking so long.
